Emanuele has over ten years' experience supporting Alternative Asset Managers with their in-house legal requirements as well as working with Law Firms on Partner hires within the same industry.

Despite the challenges that 2020 brought to the in-house legal market, the Alternative Asset Management industry has remained strong and we have seen a reasonable amount of activity.

Both fundraisings and deals activity have picked up in the second half of the year and Private Equity, Credit, Distressed Debt and Infrastructure Funds have been busy hiring throughout 2020. Below is a summary of the activity and trends during 2020 and a list of some of the most notable moves.
