

Moves 2022 vs 2023

In the first half of 2023, we have seen a total of 17 partner moves across Private Equity in private practice, which shows hiring has remained consistent; at this point last year there had been 15 hires in the field. We have continued to see some significant team hires so far this year, with Milbank's team hire from Dickson Minto particularly notable.

Male vs Female Moves

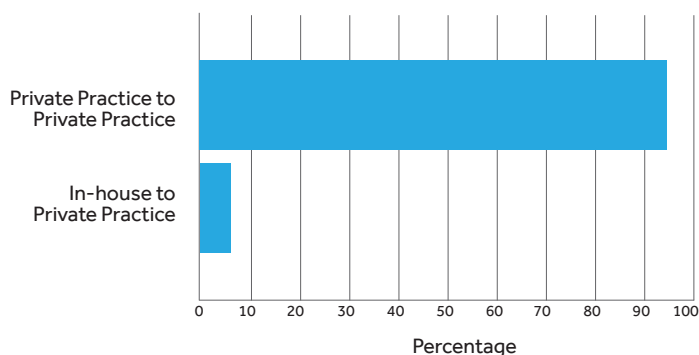

Out of 17 total moves to law firms between 1 January and 30 June 2023, 4 (24%) were female and 13 (76%) were male.

Moves by Type of Hiring Firm

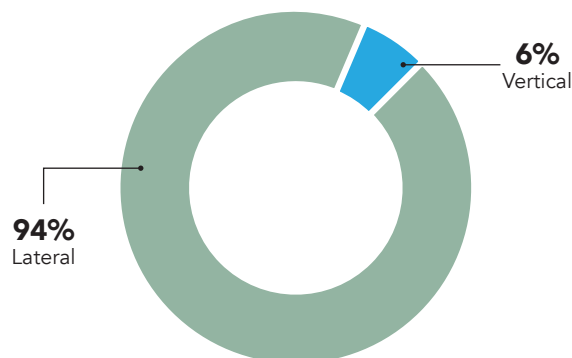

Type of Move

Out of 17 moves in 2023, 94% were between law firms; 6% were in-house to private practice.

Lateral vs Vertical Private Practice Moves

From 1 January - 30 June 2023, there were 15 law firm lateral partner moves, and 1 law firm vertical move. 'Vertical' are moves where a firm hires a senior associate or counsel as day-one partner at their new firm.
